The **Mock Legislative Council** on 25 October 2014 will be divided into two parts:

Same as in previous years, the registrants **MUST** participate in both the **full Workshop** and the **full Mock Legislative Council** as a package. Latecomers will not be entertained and no early leave will be allowed.

The priority for participation should go first to students of our **Rotary Adopt A School partnering schools on a first come, first served basis**. Should there be vacancy after the registration deadline specified below, we may invite other schools recommended by the Education Bureau.

A total of 54 students can participate as legislators while 18 students or teachers can be observers. Interested schools may nominate up to 8 students as legislators and 1 student or 1 teacher as an observer.

Relevant materials for use at the Workshop and Mock Legislative Council will be provided by LegCo Secretariat staff after registration has been confirmed. **The deadline for registration is 19 September 2014 (Friday).**

In the morning on 27 September 2014, due to the unforeseen events and the safety reason, we were informed by the Legislative Council Secretariat that the captioned activity was cancelled.
